

April 8, 2025

- FOR IMMEDIATE RELEASE -

Uptown Saint John is proud to announce our newest Community Partners for the Summer of 2025 - Kubota Canada and Hall Brothers Enterprises.

Uptown Saint John Inc, the Business Improvement Association, is thrilled to be the recipient of an impressive utility Vehicle, generously donated for our use during the summer of 2025.

The Uptown Clean Crew looks forward to using this Utility Vehicle in our continual mandate to clean and provide safe streets in Uptown Saint John. This will greatly increase the ease and efficiency in performing tasks such as pressure washing, garbage and weed removal, banner installation, and assisting with various elements in preparation for our signature event of Uptown Sparkles.

“Kubota Canada is proud to support Canadians from Coast to Coast, Kubota Canada values powerful partnerships and the betterment of our local communities.” - Kubota Canada

“Hall Bros. Enterprises, a family owned business since 1949, is proud to support our local communities and to work with various non-profit organizations to improve the communities that we serve. Working collaboratively with Kubota Canada Ltd. and Uptown Saint John is a terrific opportunity to help impact the uptown Saint John community.” - Rory Reicker, Hall Bros Enterprises Ltd.

“Having this partnership will provide better efficiency for the Uptown SJ Clean crew and the membership we serve. This vehicle will provide ease of access and flexibility for efficient management of our day to day operations from graffiti removal to pressure washing.” - Nick Crozier, Manager of Operations, Uptown Saint John Inc.

Uptown Saint John Inc. continuously works to enhance the community we serve - the Uptown Business Improvement Area. We are so looking forward to utilizing this donated vehicle in our regular tasks, keeping our uptown clean and presentable this summer. Thanks again to Kubota Canada and Hall Brothers Enterprises. When you see our staff out and about in the bright orange Kubota this summer, please give us a wave!
